

# PRESCOTT POWER PARTNERS in NETWORKING MEMBERSHIP APPLICATION

DATE OF APPLICATION \_\_\_\_\_

I am applying for membership in Prescott Power Partners in Networking. By signing and submitting this application, I agree to represent the group to the best of my ability. I have read and agree to abide by the By-Laws and the members responsibilities as stated in the PPP Procedures and Policies. I agree to the financial obligation of a one-time \$25.00 start-up fee for supplies, plus \$10.00 per month for the length of my membership. The \$10.00 monthly fee does not include the cost of food or beverages whether I attend meetings or not. At the very least, we ask members to at least purchase a beverage while at a meeting.

New members are strongly urged to maintain their membership within the Prescott Power Partners for a duration of no less than 6 months. We feel that it is vital for our members to establish strong relationships with other members in order to secure business referrals that can lead to success in the free market.

***Make check payable to Prescott Power Partners. Submit application and check to the Membership Chair***
